**Cooper, Carol**

**To:** RSLelkes@Dow.com

**Subject:** Docket No. 44306A i.e. U.S. Serial No. 09/762,161 and Docket No. 60530A i.e. Serial No. 09/762,161

In 60530A the choice is between claims 1-22 which are product claims and 23-27 which are apparatus claims. If you choose the apparatus claims, then I will transfer the case to the appropriate examiner who handles those apparatus. If you choose the product claims, I will act on those claims.

In Docket No. 44306A claims 1-16 are directed to the cellular polymer and claims 17-51 are directed to the process and product-by-process of said process. Whatever choice you make, I will be acting on those claims.

This e-mail is being sent to you by the Automation Clerk, Carol Cooper. If you wish to respond to this restriction by e-mail, you may do so by either phoning Morton Foelak at area code (703) 308-2442 or by e-mail at [Morton.Foelak@USPTO.gov](mailto:Morton.Foelak@USPTO.gov) or by fax at area code (703) 308-4734. No matter what means you use to contact me, if you cannot contact me directly, I have given you various other ways to respond and all elections will be regarded as with traverse.

Your earliest response to my request would be greatly appreciated.

Morton Foelak

P.S. I called Mr. Howard at Midland whom I have been in contact with regard to this restriction requirement, but I found out today that he is on an extended vacation.
